

WGC INTERACTIVE GENERAL DISCLAIMER The information contained in this presentation and product is for education purposes only. This is information designed to help you understand the specific information covered. It is not an attempt to render tax, legal, or business advice. This is not a business opportunity. How you use the information is entirely up to you. While every effort has been made to accurately represent the information along with my opinions and insights, any claims made or examples given, although believed to be accurate, should not be relied on in any way in making a decision whether or not to purchase.

This information is an account of what I have experienced. Any testimonials and/or examples used are exceptional results, in no way apply to the average participant in this program and are not intended to represent or guarantee that anyone will achieve the same or similar results. The performance or financial examples given are in no way meant as a representation of actual or level of performance, nor are they meant as an inducement, promise, guarantee or prediction of income of any kind. No performance claims, promises, predictions or guarantees are made of any kind. Any reference to specific levels of performance or dollar amounts that I or others may have achieved are NOT done so to imply that you should expect to have, or will experience, similar success.

There is no way of knowing what level of success you will achieve with this information (if you achieve any level of success at all). As a result, there is no promise, prediction, implication or even hint that you'll make a achieve any level of success.. Any reference to, or success examples from my businesses and/or the examples of others are exceptional results, which do not apply to the average person and are not intended to represent or guarantee that anyone will achieve the same or similar results. The situation surrounding each example given is unique. Merely acquiring this information does not guarantee, imply, ensure, or otherwise suggest you will achieve success, nor does implementation of said information.

Results generated in the examples come from 1) entering a good position, 2) entering at the right time, 3) intimate and unique knowledge of product or service, 4) implementation of applicable parts of the information provided, and 5) repeated trial and effort. If you are unwilling or unable to perform all of the above, do not acquire this product. Even if you perform all of the above, it is no guarantee of results of any kind. Every business or marketing venture involves some degree of risk and your success and/or failure will depend entirely upon your background, dedication, desire and motivation, as well as other factors both known and unknown, as well as factors beyond your control. As with any business endeavor, there is an inherent risk of loss of capital and there is no guarantee that you will achieve any success. It's up to you to decide what level of risk is appropriate for you. If you cannot afford, or will not use, this product, do not buy it. Please read all agreements,
